

2024 - FALL PRE-SEASON SPECIAL OFFERS!

With basketball season right around the corner, there is still time to become a better shooter! Elevate Shooting Lab has put together a variety of package options that will allow you to be at your best before basketball tryouts. Practicing the right things at a high volume of repetition is the most effective way to improve as a shooter.

Details for Fall 2024 special packages are as follows:

- Four (4) 60-minute private individual sessions with Coach Kinloch. In these sessions, the goal will be to analyze what you are doing well and how best to improve upon the areas that need work. A variety of specific shooting drills will allow us to record a minimum of 250 shots in each session—leading to a total of 1,000 recorded shots in 4 sessions. **Package price: \$230**
- Four (4) 90-minute sessions for a group of two (2) shooters with Coach Kinloch. Part of improving as a basketball team is holding teammates accountable. Grab a friend and commit to doing everything you can to be at your best when the season begins. A variety of 2-person drills will be used with the goal of recording a total of 700 shots for each shooter. **Package price: \$160 per shooter**
- Four (4) 60-minute Fundamentals of Ball Handling & Shooting Sessions with Coach Kinloch. Designed for 3rd – 8th grade basketball players, half of each session is focused on becoming a better ball handler and passer while the other half is focused on building great habits as a shooter. **Package price \$230**
- For returning Elevate Shooting Lab students who have already completed intro sessions:
Five (5) 60-minute Individual Do-It-Yourself (DIY) sessions for \$159
60-minute Individual Private Noah Shooting System Session with Coach Kinloch: \$69
90-minute Individual Private Noah Shooting System Session with Coach Kinloch: \$89
